2015 Courage, Conquer & Cure Sponsorship Form
5k Race in Historic Canal Winchester, OH
October 3, 2015 at 8a.m.**

Please join us for a 5k run, walk and children's race in historic downtown Canal Winchester which will travel over The Bergstresser/Dietz Bridge, the last remaining covered bridge in Franklin County, to raise funds for breast cancer research. All fundraising contributions to benefit The Stefanie Spielman Fund for Breast Cancer Research at The Ohio State University Comprehensive Cancer Center – Arthur G. James Cancer Hospital and Richard J. Solove Research Institute. This race is being coordinated by two Courageous Survivor Moms, Jodi Brown and Angie Abel.

The James 5k Race Series will feature five annual running events in Columbus, Ohio that reach over 3,200 participants and hundreds more that come out to support their loved ones in their quest to make a difference for cancer patients and survivors. Proceeds from these races benefit five different cancer research areas at the OSUCCC-James: breast, leukemia, lung, multiple myeloma and sarcoma cancers, and will raise over \$247,000 annually. Join us as we race to create a cancer-free world. For more information, visit go.osu.edu/James5k.
